## ABOUT THIS SITE

Blog Essay

I created this site to challenge myself with a new project. Click below to learn why I decided to build this.

## Books

### BOOKS I READ

I believe in the many benefits of reading books, so I bought myself a few to say the least, click below to view what I read.

## Projects

### Dragons den game

I followed [freeCodeCamps'](#) JavaScript tutorial on how to develop a role playing game, learning how to work with arrays, strings objects, functions, loops, if/else statements and more.

Check it out

### Filmflix

I spent some time exploring a service called 'Flutterflow'. A no-code app development tool, where I created a Tinder-like application for movies.

Check it out

### Kombucha

During Covid, I had a little too much time on hand and decided to start culturing my own kombucha. An interesting project, I've learned is not common amongst 19-year olds.
